

SCOUTING FOR FOOD

I am with **Boy Scout Troop 15** and we are helping Loaves & Fishes collect food for the hungry. **Please help us by filling this bag with non-perishable food items.** We especially need canned fruit, 100% juice (canned or plastic bottles), peanut butter, pork & beans, canned meat and soup (no glass please). Please place items in the bag and place near your front door in a visible location for pick up. I will be back on _____ to pick up the bag.

Thank you very much for your generosity!
