5. Steve Jeiger will be working with SPL Forrest Boylston to assign up to 9 Den Chiefs to Pack 15.
6. SPL Forrest Boylston indicated Scouts are not following through with assigned jobs/positions. Discussed that if job/position requirements are not met then Scout should not be given credit for the job/position for advancement purposes.
7. The Planning Outing is scheduled in September this year. Agreed that is too late for scheduling purposes. Next year the Planning Outing will be in August as it was in the past.
8. Fleeces or Jackets with Troop Logo will not be purchased for the Camporee since it will raise the cost of Camporee too high.
9. SPL Forrest Boylston requested and received permission to purchase a new flag pole, flag pole bases and eagle end cap.
10. Next Troop Eagle Court of Honor is tentatively scheduled for November 16, 2008 at 4 pm subject to availability of the Church.
11. Prior to the Planning Outing, Scott Bayne will meet with Debbie Jancula to review the Church and CMS schedules.
12. John Trainor is working on a High Adventure Trip to the Boundary Waters in Minnesota for 2009. He indicated the Troop will apply to attend Philmont in 2010 but if the application is denied a High Adventure Trip to Alaska may be planned.
13. A Gas Reimbursement Policy was discussed again with a large range of opinions. All Adults who have an interest should send proposals to Scott Bayne who will present a synopsis at the next ACM.
14. Jeff Jancula and Steve Jeiger will work to get additional content on the website. For now, all non-confidential information from the Troop Calendar and the ACM minutes will be on the website. Links to National, Council, District, Forms and other BSA websites such as www.meritbadge.com will also be added.

**THE NEXT ACM MEETING IS AT THE
PLANNING OUTING!**
