

ADULT COMMITTEE MEETING MINUTES

TROOP 15 – AUGUST 2009

1. Mike Brians reported the Boundary Waters Trip was a big success. After a few rainy days the weather cooperated. The outfitter was good and did provide kevlar canoes. No problems with the food. It was a good idea to add an extra day to rest. Overall it was a good trip.
2. The Roadside Clean-up and Merit Badge Workshop is 8/22/09. The workshop will focus on the procedure for properly starting and completing a merit badge. Emphasis will also be placed on completing partial merit badges such as the ones left over from Summer Camp.
3. There will be a Troop Meeting on August 24, 2009 so the Scouts have time to sign-up for the boating outing and family cookout/COH.
4. The Annual Family Night Dinner and Court of Honor is 8/29/09. Teams for cooking, sanctuary set-up/clean-up and pavilion set-up/clean-up have been assigned. Any adult that can help but is not yet assigned please contact Ron Shaw or Scott Bayne. The Merit Badges earned at Summer Camp will be awarded at this COH. The Boundary Water crews will have a slideshow at the COH. Everyone is encouraged to attend since this is one of the main fundraisers for the Troop.
5. The Boating Outing is 9/11/09. Five boats are confirmed. Contact Sam Phifer if you have a boat available.
6. The next Eagle Court of Honor is scheduled for 10/4/09 in the Sanctuary.
7. Camporee is 10/23/09-10/25/09. It is a Western theme this year. The Troop will be running the knot-tying station. Scouting skills will be tested as in the past so practice will begin at the Troop Meetings this Fall. Other activities include a chili cook-off and chuck wagon construction.
8. Jeff Greene will sign the Troop up with Harris Teeter to receive charitable funds from the VIC card program. He will be collecting VIC Card # at the Family Cookout/COH for those who are interested. The fundraiser still needs to be cleared by the Council.
9. Tom Magraw will be in charge of the Christmas Tree fundraiser again this year. We will only take preorders. Orders must be in by October 30, 2009. The trees will be available for pick-up December 5, 2009 in the church parking lot. Tom will have order forms available at the Family Cookout/COH.
10. Gerry Curry presented and there was a general discussion concerning Scouts that are falling behind on their advancement.
11. John Trainor discussed financials. Any questions concerning the Troop's finances please see John or Scott Bayne.
12. All Adults are reminded of the Scout Success Seminar on 9/26/09. If you need training this is the time to get it! All Merit Badge Counselors must have the Merit Badge training and it is available at this Seminar, for example. Sign-up and additional information is on the Council's website.

THE NEXT ACM IS SEPTEMBER 21, 2009!
